FOREWORD

I am pleased to present the Directory of R&D Institutions-2025 on behalf of the Department of Science and Technology (DST), Government of India. This is a comprehensive resource that highlights the rich and diverse landscape of research and development in our country. The information on the landscape of research and development (R&D) is the cornerstone of innovation and progress in any nation. It drives advancements in technology, fuels economic growth, and addresses global challenges by pushing the boundaries of knowledge. Such directory comes very handy to connect stakeholders across industries, academia, and government with the wealth of expertise and resources available in our country's R&D ecosystem.

This directory serves as a valuable tool for fostering collaboration and partnership. By providing detailed information about institutions, we aim to facilitate meaningful connections that drive impactful research and innovation. We are witnessing an era of rapid technological transformation, where interdisciplinary research and innovation play a pivotal role in shaping the future. We hope that this directory will inspire collaboration, encourage resource sharing, and create synergies among diverse stakeholders, thereby strengthening the R&D landscape and contributing to national and global development.

I extend my gratitude to all the contributors who have made this publication possible, especially the R&D institutions featured herein for their commitment to excellence in research building a sustainable and inclusive future.

We invite you to explore this directory and leverage the wealth of opportunities it offers. Together, let us harness the power of research and innovation to build a better tomorrow.

PREFACE

The National Science and Technology Management Information System (NSTMIS) division of Department of Science & Technology (DST), Government of India, has been conducting national surveys periodically to collect data on resources devoted to S&T activities (mainly R&D) in the country. Based on survey data, a number of S&T reports are published, providing vital information on national R&D indicators which serves as an evidence-base for S&T assessment and policy formulation. To discharge such a responsibility effectively, a database of the R&D performing institutions, industries and other entities is an essential prerequisite. The NSTMIS division has been making continuous efforts to update data on R&D institutions in the country. In fact, the Directory of R&D Institutions is mainly a spin-off publication arising out of the in-house national R&D survey exercise and is ably supplemented by other secondary sources.

The present Directory, thirteenth in the series, provides a listing of 8252 R&D institutions with complete addresses arranged alphabetically by various S&T sectors. Details on various communication modes such as phone, mobile, e-mail, website addresses have also been given, wherever possible. Every care has been taken to provide accurate information on the R&D Institutions located throughout the length and breadth of the country. The Directory of R&D Institutions is widely used by professionals engaged in policy making, planning, science, administration, industry, teaching and research apart from other stakeholders active in S&T sector in the country.

The Department acknowledges the efforts of TERI, New Delhi for compilation of this directory under the supervision of NSTMIS division. The response received from various central government scientific departments and agencies, public and private research institutions, and other stakeholders in providing valuable information for the collation of the directory is greatly acknowledged.

The Department would welcome any comments/suggestions to enrich this Directory, available online at www.dst.gov.in and www.nstmis-dst.org for the users.

January, 2025

(Arvind Kumar)

ABOUT THE DIRECTORY

INTRODUCTION

The Department of Science & Technology (DST) has been compiling information on the communication modes for approaching Research & Development (R&D) organisations in the country since 1978 for conducting National level survey on resources (both financial and human) deployed on R&D activities. The present Directory contains information on the 8252 R&D Organisations in the form of addresses/Email /Website/Phone no. /Mobile no. (E-Email, W-Website, P-Phone, M-Mobile)

The term R&D institution, used in this Directory refers to either a national laboratory or a research institute or a research station or private and public sector in-house R&D unit or a not for profit Scientific and Industrial Research Organisation (SIRO) or an academic institution. The Organisations under various sectors mentioned above are not homogeneous and are of varied sizes in terms of infrastructure facilities and research inputs like manpower and expenditure etc. deployed on S&T activities.

ORGANISATION OF DIRECTORY

This Directory has been divided into three parts. **Part-I** of the Directory contains information regarding all R&D organisations/ institutions. The information in the Directory is arranged sector-wise and listing has been done alphabetically in the following manner.

1. Central Government R&D institutions

These institutions are divided into three broad groups viz. a) Major Scientific Central Government Ministries/ Departments/Agencies (b) Other Central Government Ministries / Departments (c) Central Government Public Sector in-house R&D units.

Note: The classification of Major Scientific Agencies is based on two criteria (a) The nature of their activities being predominantly R&D and (b) The research input by them on R&D activities is sizeable.

(A) Major Scientific Agencies

The institutions under Major Scientific Central Government Ministries/Departments/Agencies are arranged alphabetically as given below:

- Defence Research and Development Organization (DRDO)
- Department of Atomic Energy (DAE)
- Department of Space (DOS)
- Indian Council of Agricultural Research (ICAR)
- Indian Council of Medical Research (ICMR)
- Ministry of Electronics & Information Technology (MEITY)
- Ministry of Earth Sciences (MOES)
- Ministry of Environment, Forest and Climate Change (MOEFCC)
- Ministry of New and Renewable Energy (MNRE)
- Ministry of Science and Technology (MST)

A-Council of Scientific and Industrial Research (CSIR)

B-Department of Biotechnology (DBT)

C-Department of Science and Technology (DST)

The Laboratories are arranged alphabetically under each agency. Some institutions that are affiliated with ministries and are also SIROs have been recorded in one place depending generally on their affiliation.

(B) Other Central Ministries/Departments

The Ministries/Departments are arranged alphabetically. Also, the organizations under their administrative control have been arranged in alphabetic order.

(C) Central Public Sector

The Central Government in-house R&D units of Public Sector Industries arranged under respective ministries/ departments alphabetically are given separately under the title Central Public Sector.

2. State Sector

In State Sector, first the States have been arranged alphabetically. Further, within the State the R&D institutions have been presented in the order of Agricultural universities, Research Stations and State Government R&D institutions. The State Public Sector industries state-wise in alphabetic order in each state have been reflected separately under the title State Public Sector.

3. Academic Sector

Higher Education Sector comprising of Central, State, Deemed, Private universities, and Institutions of National Importance have been listed alphabetically under the Higher Education Sector. All the State Agriculture Universities are included in the respective State Government list in the State Sector.

4. Scientific and Industrial Research Organisations

Scientific and Industrial Research Organisations (SIROs) recognized by Department of Scientific and Industrial Research (DSIR) are arranged alphabetically under the title Scientific and Industrial Research Organisations (SIROs).

5. Private Sector Industries

In-house R&D units of private sector industry recognised by Department of Scientific and Industrial Research (DSIR) are arranged alphabetically under the title Private Sector industry. This is followed by Industries performing R&D but not registered with DSIR. The details of such units have been taken from the Central Monitoring of Indian Economy (CMIE) database. This Directory also includes industries that have potential to undertake R&D activities as they were earlier recognised by DSIR. These are also arranged in alphabetic order.

6. State-wise Index

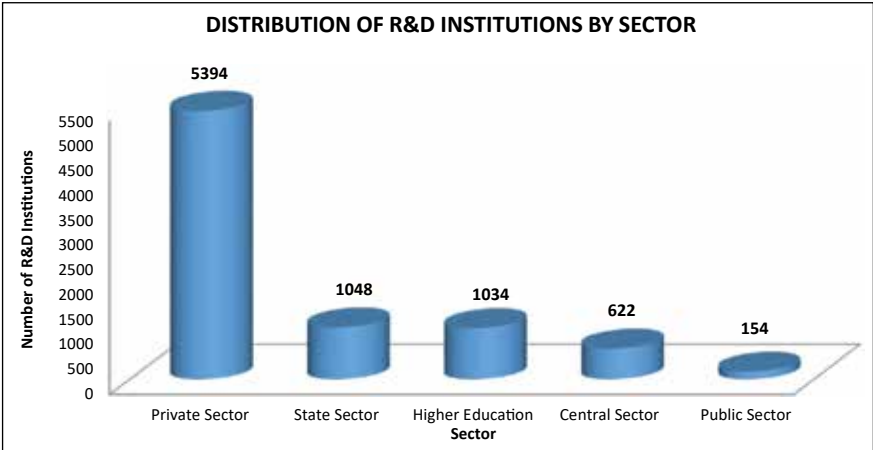

In **Part-II** of the Directory, R&D institutions located in various states have been presented state-wise and within the state, sector-wise and further within the sector alphabetically with record numbers to understand the distribution of R&D institutions of different sectors in states and union territories and to make the searching of institutions more easy.

7. Alphabetical Index

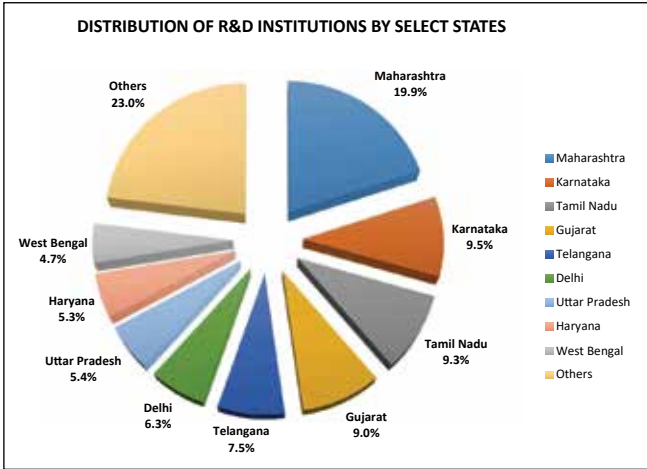

The names of all R&D institutions along with their respective record numbers as given in **Part-I** have been arranged alphabetically in **Part-III** of the Directory.

AN OVERVIEW

The Directory contains communication details of 8252 R&D institutions in the Country. The maximum number of R&D institutions 1645 (19.9%) are located in the State of Maharashtra. This is followed by Karnataka, Tamil Nadu, Gujarat and Telangana with 786 (9.5%), 770 (9.3%), 741 (9%) and 620 (7.5%) respectively. In case of Central Sector, the maximum number of R&D institutions 73 (11.7%) are located in the State of Delhi. This is followed by Maharashtra and Karnataka with 65 (10.5%) and 55 (8.8 %) of total Central Sector R&D institutions respectively. The share of various sectors in total number of R&D institutions is: Central Government 7.5%, State Governments 12.7%, Higher Education Sector 12.5%, Private Sector including Scientific & Industrial Research organizations 65.4% and Public Sector Industry including State Public Sector 1.9%. The Sector-wise and State-wise numbers of R&D organisations are as follows.

- Note:
1. Higher Education comprises of Central, State, Deemed, Private Universities and Institutes of National Importance.
 2. Private industry comprises of DSIR recognized in-house R&D units, Scientific and Industrial Research Organisations, Industries not recognized by DSIR performing R&D activities taken from CMIE database and Industries with potential for R&D.
 3. Public Sector Industries comprise of Central Public Sector and State Public Sector
